

Resources for Building Healthy Leaders

Websites

www.LeaderSource.org

Our main website that has tools, resources, teachings, updates, model briefs, and instruments.

www.HealthyLeaders.com

Our vision to make available the very best writings on Christian leadership and leader development. Sign up for our weekly email and receive a free book!

www.StrategicPress.org

Our online bookstore that sells books pertaining to issues of leader development, building leaders, church planting and life, and spiritual life and growth.

www.LDC.io

The LDC is a collective of leaders from many nations who gather for encouragement, networking and learning.

www.LeadershipLetters.com

Our Executive Director's personal writings on cutting-edge issues of leadership and the Christian life.

Mobile App

We have a mobile app that has all of our resources, teachings, and course links. Download is available for iPhone, Microsoft, and Android. To download, search "LeaderSource SGA" in the app store.

Courses

We have several short leadership courses designed to bring the "Aha" moment on a variety of leadership issues. Formats range from half-day to four-day sessions or can be customized. We also develop training seminars in response to specific requests.

Courses include:

- The Nature of Leadership
- Building Healthy Leaders
- Doing Design
- Advanced Design
- Transformational Theology
- Leadership Succession
- How Leaders Shape Organizational Culture
- Leadership Communication
- Transformational Thinking
- Building Healthy Churches
- Leader Development Evaluation
- Discover ConneXions
- ConneXions Intensive

Tools

Learning Experiences

We have a large collection of written Learning Experiences based on our 5C4D Model to help you design transformational leader development. To gain access to these, please contact us at info@LeaderSource.org

Instruments

Our ConneXions Competency Model provides a comprehensive framework through which to understand and build leadership competencies. The instruments we provide, grouped according to our model of the four dynamics, will help you grow in your leadership competencies. To use these instruments, please visit LeaderSource.org/resources/instruments

5C Checkpoint

The 5C CheckPoint™ is a survey-based holistic evaluation tool that combines leaders' self-evaluation with evaluation by those who know them well to produce a comprehensive, high-quality and actionable assessment of leadership health! To take the survey for yourself, please visit 5CCheckpoint.com.
